

Who We Are

We're ordinary people dedicated to the betterment of other people's lives.

Giants of Generosity, founded by D. Jane Albanese, is based on the Pay-It-Forward model of recognizing and encouraging altruism in our local communities as portrayed in Catherine Ryan Hyde's novel of the same name.

◆◆◆ Inspired by the rising tide of celebrity philanthropy, and by her friends' acts of kindness and generosity in her own time of dire need, Ms. Albanese created Giants of Generosity, Inc., a non-profit organization. Understanding that life sometimes has a way of bringing you to your knees, Jane realized that in order to heal she must do something meaningful to help others.

We are uniquely positioned to encourage donor involvement by offering a flexible form of philanthropy ~ By joining GOG you play a pivotal roll in the selection process of how your funds will be distributed.

Here's How it Works

Make a one time or monthly donation, start your own social giving club or join an existing one under the Giants of Generosity tax-exempt umbrella. By pooling our resources we can accomplish that which can not be done alone.

A simple yet powerful concept.
